

**RESOLUTION 2013-17**  
**A RESOLUTION OF THE DILLINGHAM PLANNING COMMISSION**

Recommending Approval of Long Term Encroachment Permit the University of Alaska  
Fairbanks Bristol Bay Campus to tie into the City's water main on D Street

WHEREAS, DMC 12.08 requires City Council and Planning Commission approval for any object belonging to a private owner other than the municipality that is placed in streets, public rights-of-way or other property dedicated to a public use for longer than one year; and

WHEREAS, the University of Alaska Fairbanks Bristol Bay Campus would like to tie into the City's water main on D Street with a 6 inch line; and

WHEREAS, the line is required to serve the building and its sprinkler system; and

WHEREAS, there will be no foreseeable harm to the city's water service as a result of the installation; and

WHEREAS, the City of Dillingham Public Works Department has reviewed this proposal and has no objection; and

WHEREAS, the State of Alaska Transportation Department has offered to assist in restoring the street to present conditions after the line is installed;

THEREFORE, BE IT RESOLVED that the Dillingham Planning Commission recommends approval of the long term encroachment a water line tie-in to the City's water main on D Street; under the following conditions:

- 1) The Owner and Owner's contractor will work with the City Public Works Department and the State of Alaska Department of Transportation when installing the line in the street; and
- 2) The Owner is to provide a 95% compaction report of the subsurface; and
- 3) The Owner is to return the surface to its original condition; and
- 4) The Owner is to be responsible for repairs the street if during the next two years it deteriorates due to the installation; and
- 5) The Owner is to be responsible for paying for damage to the City's water main resulting from the installation; and
- 6) The Owner is to be responsible for all costs associated with the connection, and
- 7) The Owner is to comply with Chapter 14.04 of the Dillingham Municipal Code, "Connection and Service."
- 8) The Owner is to notify the City administration 48 hours in advance of the work in the right-of-way.

ADOPTED by the Dillingham Planning Commission August 20, 2013.
