

Let's Play!

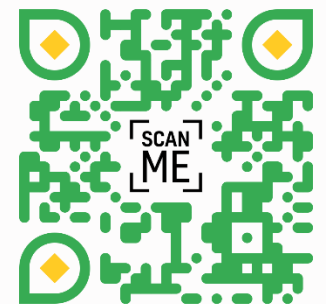

Bristol Bay Native Association's Child Care and Development Fund, the City of Dillingham, and other community partners are bringing to the community a brand new playground this summer. Located in the downtown park/ soccer field, the new playground will have fun stuff for children of all ages!

Important Things to Know:

- Installation starts on July 7th. Ends on August 6th.
- Old playground equipment will be available to play on for part of July during installation.
- **NO PLAYING ON THE EQUIPMENT UNTIL THE GRAND OPENING**, scheduled for August 7th.
- The Elementary School playground will also be closed during this time so that Nushagak can install a waste-heat line for the Elementary and Middle/High Schools. Please plan accordingly.
