Note: ***indicates that the proceeding tweet will be tweeted in a series.

- Recently, Congress created @FCC's Affordable Connectivity Program, a \$14 billion program, that replaced the Emergency Broadband Benefit Program. This investment in #broadband will help people afford the internet connections they need to survive. Details: [FCC.gov/ACP](https://www.fcc.gov/ACP).
- The @FCC's Affordable Connectivity Program has replaced the Emergency Broadband Benefit. This program provides a discount of up to \$30 per month toward internet for eligible households and up to \$75 per month for homes on qualifying Tribal lands. Details: [FCC.gov/ACP](https://www.fcc.gov/ACP).
- The @FCC's Affordable Connectivity Program provides eligible households with a discount on #broadband service and connected devices. Learn if you qualify for the program and how to apply here: [AffordableConnectivity.gov](https://www.AffordableConnectivity.gov) #BroadbandForAll #FCCGov
***Eligible households can also receive a one-time discount of up to \$100 for a laptop, desktop computer, or tablet purchased through a participating provider.

Who Is Eligible for the Affordable Connectivity Program?

- Has an income that is at or below 200% of the federal poverty guidelines
- Participates in one of these assistance programs: Free and Reduced-Price School Lunch Program or School Breakfast Program, including through the USDA Community Eligibility Provision; SNAP; Medicaid; Federal Public Housing Assistance; SSI; WIC; Veterans Pension or Survivor Benefits; or Lifeline
- Participates in Tribal specific programs: Bureau of Indian Affairs General Assistance, Tribal TANF, Food Distribution Program on Indian Reservations, or Tribal Head Start (income based)
- Received a Federal Pell Grant during the current award year
- Meets the eligibility criteria for a participating provider's existing low-income program

Helping Households Get Access to Broadband

How to Enroll

Apply

Go to [AffordableConnectivity.gov](https://www.AffordableConnectivity.gov) to submit an application or print out a mail-in application.

Contact Provider

Contact your preferred participating provider to select an eligible plan and have the discount applied to your bill.

Some providers may have an alternative application that they will ask you to complete.

Eligible households must both apply for the program and contact a participating provider to select a service plan.
