FOR IMMEDIATE RELEASE

City of Dillingham selects Chris Hladick as Interim City Manager

Dillingham, AK, April 22, 2021 – The City of Dillingham is pleased to announce that during a Special Council Meeting on Monday, April 19, the Dillingham City Council voted unanimously to hire Chris Hladick as the Interim City Manager, starting May 10 through November 10. Chris Hladick previously served as the Dillingham City Manager from 1994 – 2001. The council will continue to recruit for a permanent replacement through their contract with Tim Pearson Consulting.

Gregg Brelsford will continue to serve as Interim City Manager until Hladick assumes the position in May. His schedule did not allow him to continue to serve as long into the summer as the Council desired. The City Council expressed great appreciation for Mr. Brelsford's service for the City of Dillingham, especially during a period when the manager has had the additional duty of managing the City's COVID response.

The Council looks forward to welcoming Chris back to the Bristol Bay area and to Dillingham.
