**As of January 25th there are 25 *confirmed cases*\* in Dillingham**

*\*cases are confirmed by the State of Alaska*

01/11 – 01/24	Tests Conducted	Positive Tests
Airport Testing Facility	493	60
Downtown Testing Facility	588	57
<b>TOTAL</b>	<b>1081</b>	<b>117</b>

## IF you test positive for COVID-19: Take Steps to Protect Others Regardless of your Vaccination Status

- CONTACT your Healthcare Provider, especially if you're an older adult or have underlying medical conditions.
- STAY HOME, Isolate for at least 10 days. Stay in a specific room and away from other people in your house.
- GET REST and STAY HYDRATED. If you develop symptoms continue to isolate for at least 10 days after symptoms began and until you do not have a fever without using medications to reduce fever.

**If you travel, social distance and get tested 3-5 days after your return**
