**Summary Statement:**

The City of Dillingham patrol vehicles experience heavy use and need to be replaced on a regular basis to ensure reliable, and safe operations of vehicles for the Department of Public Safety.

The City worked with the Anchorage dealership that has the contract with the State of Alaska to provide Trooper vehicles.

Currently two "special service vehicles" are in stock. They will be delivered to Alaska Safety for installation of all necessary equipment. Then barged to Dillingham when the safety installation is completed.

The price PER vehicle breakdown is as follows:

The purchase price is \$42,310

The cost for AK Safety is \$11,370

Shipping cost from Anchorage to Dillingham is \$3,339

For a total of \$57,519 per vehicle, we are purchasing 2 vehicles.
