

If you deliver your garbage to the landfill, don't forget: **SORT YOUR GARBAGE**

*Sorting your garbage helps save money for you,
the landfill, and your community*

Place in the appropriate location or bin at the Landfill

- **Electronics**, electronics bin
- **Paints**, paint bin
- **Fluorescent Bulbs** - fluorescent bulb bin. DO NOT BREAK.
- **Aluminum Cans**, aluminum can bin *or bring them to the Senior Center collection bin*
- **Fish Waste**, fish waste site. NO plastic bags or other containers.
- **Wood**, wood yard. Untreated Wood ONLY. NO treated wood, plywood, particle board, stained or painted wood.
- **Construction Materials**, consult landfill staff.

Separate remaining garbage for the incinerator

Incinerator Items

- Plastic
- Paper and Cardboard
- Food remains
- Styrofoam and packing material
- Magazines and catalogs
- Clothing

Non-incinerator Items

- Metal Cans and other metal items
- Glass
- Alkaline Batteries

*The melted product from these
items damages the incinerator*
